

Rollup Banner Stand

❖ CABRO Rollup Banner Stand

The CABRO is a PREMIUM single-sided rollup banner stand that projects a professional image. The cassette is aerodynamically designed; it features chrome teardrop cassette ends and no protruding feet.

It is lightweight and durable, easy to set up in about 60 seconds without tools and is a great choice for frequent usage. The grip top rail, which does not require tape, makes it easy to change the graphic and extends the life of the stand.

The banner stand comes in a padded oxford bag for protection and can easily be carried by its carry handle or shoulder strap from place to place.

Setup by one person is quick and easy whether you have the three-piece bungee pole or use the adjustable telescopic pole.

The CABRO rollup banner stand is ideal for locations such as:

- Retail stores
- Shopping malls
- Car showrooms
- Trade shows
- Conventions
- Hotel foyers
