## ❖ SEKURO X-Banner Stands

The SEKURO X-banner stand is one of the most cost effective way of displaying your banners and is a great way to promote your brand and advertise indoors.

They are lightweight, non-retractable and easy to assemble without tools and will fit almost anywhere.

The stand utilizes the flexible X frame to create the tension required for the banner. The X-Banner's frame stretches and expands the graphics by applying tensions on each corner of the banner (4 corners).

The X-banner is an ideal solution when the user requires changing the graphics very often. A replacement banner can be installed in seconds.

X-banner stands are ideal for locations such as:

- Retail stores, shopping malls
- Car showrooms
- Trade shows and conventions.
