

Tabletop Rollup Banner Stand

tablo

❖ TABLO Rollup Banner Stand

The TABLO is a tabletop retractable banner stand that can hold a small sign in a minimum amount of table space and is perfect for that focused message.

It is excellent for making the most of the limited space available on most tables and counter tops.

The cassette is aerodynamically designed as it features chrome ends and no protruding feet.

It is lightweight and durable, and sets up in seconds.

Like full size roll up banner stands, the banner retracts into the base when it's not in use, so the banner is protected during storage.

They are ideal for locations such as:

- Retail stores
- Offices
- Medical practices
- Trade shows
- Conventions
- Hotel foyers
