## ❖ REVELO Sidewalk A-Frame

A-frames are very effective marketing tools as they can be set up almost anywhere and are ideal for any business that regularly needs to change their advertising message to passerby traffic.

REVELO is a professional looking A-Frame that has all the benefits of more expensive aluminum A-Frames at a fraction of the cost.

It is a lightweight double-sided A-frame sign manufactured from 1" wide aluminum frame and stands on four short legs.

Use paper or vinyl graphics. They are easily installed and secured in seconds with four spring-loaded edges which flip open and shut effortlessly.

REVELO comes complete with weather resistant, non-glare protective sheets made from PVC plastic.

It is resistant to water and dampness and can be used in most weather conditions.

REVELO A-frames are ideal for applications such as:

- Shopping malls and office buildings
- Restaurants and hotels
- Movie theatre
- Real estate agents
- Exhibition and conventions.
