

Literature Holder - Mesh

❖ NILO Literature Holder

The NILO mesh literature holder is an eye-catching sophisticated literature holder which is available in both 4 and 8 pocket versions for added versatility.

This brochure rack is a must-have for anyone who travels often and can't be bothered with carrying something heavy and cumbersome such as traditional literature stands.

The mesh literature holder sets up in seconds and effectively displays your 8.5" x 11" marketing materials.

This pop up magazine stand is a portable brochure and literature holder that is sure to look great in a wide variety of locations.

The stand rolls up and fits snugly into a travel bag for convenient storage and transportation.

They work effectively as well when used in:

- Shopping malls
- Doctors offices
- Businesses
- Office buildings
- Trade shows and conventions
